

Celebration Party for Candy Kuan's 《乳癌路上》 New Book Launch

Breast cancer survivor Ms Candy Kuan was diagnosed with stage III breast cancer at the golden age of her life in 2008 and went through various treatments including chemotherapy and radiotherapy. After completed treatments, she spends most days volunteering at the Hong Kong Breast Cancer Foundation Breast Cancer Support Centre.

All these experiences made Candy reconsider the meaning and target of her life. She eventually decided to publish the book 《乳癌路上》 recorded her experiences in fighting again breast cancer over the years by unveiling the mask of breast cancer and reducing patients' fear of treatment. She would like to convey message that "Never give up as there is always hope for cure"

The Hong Kong Breast Cancer Foundation will organize a Celebration Party for 《乳癌路上》 New Book Launch. Candy will be invited to conduct a sharing and sign her new books at the party.
