

Radiographer [Part Time or Full Time]

The Job

- Deliver good quality breast health screening services and radiographic procedures.
- Perform imaging examinations independently in compliance with legislative and safety standards.
- Implement and maintain a quality assurance program to ensure consistent service excellence.
- Strictly adhere to radiation safety protocols, handle equipment with care and maintain the highest standards of cleanliness and hygiene of the working environment.
- Conduct daily equipment checks, warm-up procedures and assist in monitoring equipment function, and log on any equipment malfunction.
- Perform any other duties as assigned by Department Head/supervisor(s)

The Person

- Holder of a Bachelor's Degree in Radiography or equivalent qualification.
- Registered in Radiographers Board of Hong Kong (Part I / II / III / IV) and possess valid annual practicing certificate.
- Proven experience in mammography is required; fresh graduates with relevant training are also welcome to apply.
- Good communications skills and good command of spoken and written English and Chinese.
- Professional attitude, a commitment to patient care and eagerness to learn new imaging technologies.
- Available to work on Saturdays.

What We Offer

- Competitive remuneration packages that commensurate with experience and qualifications
- Medical and dental coverage

- Annual leave entitlement
- Convenient working locations (near Choi Hung and Fortress Hill MTR stations)
- 5-day work week, night-shift is NOT required
- Fixed rest day on Sunday and public holiday
- Training will be provided

To Apply
