

Radiographer [Part Time or Full Time]

The Job

Radiographer I

- Perform special modality service independently and assist Radiologist in the delivery of services.
- Supervise Radiographer II and support staff to ensure operational efficiency and safety in the Service Centres.
- Maintain quality assurance and radiation safety standards.

Radiographer II

- Provide imaging services and assist Radiographer I and/or Radiologist in the delivery of services.
- Ensure a high standard of patient care and accurate image acquisition.

The Person

- Be a registered Part I or Part II Radiographer (Diagnostic) and have a valid annual practicing certificate under the Allied Health Professions Ordinance.
- Professional attitude, a commitment to patient care and eagerness to learn new imaging technologies.
- Proven experience in mammography is required; fresh graduates with relevant training are also welcome to apply.
- Good communications skills and good command of spoken and written English and Chinese.
- Available to work on Saturdays.

What We Offer

- Competitive remuneration packages that commensurate with experience and qualifications
- Medical and dental coverage
- Annual leave entitlement

- Convenient working locations (near Choi Hung and Fortress Hill MTR stations)
- 5-day work week, night-shift is NOT required
- Fixed rest day on Sunday and public holiday
- Training will be provided

To Apply

Interested parties, please send your full resume stating your current and expected salary and date of availability to recruit@hkbcf.org on or before **20 April 2026**.

Please note that all information collected will be used for recruitment purposes only and treated with complete confidentiality. We value your interest in the HKBCF, but we regret that only those applicants under consideration will be contacted. The personal data of unsuccessful applicants will be destroyed within six months.
